

EVENTTEAM presents CHAMPION LEAGUE

Divided in to teams you will play final for the **champion prize**. Champions are not just in football, they are everywhere. The winner has to pass all fun games – to show skills, tactful and team effort... to run and the most important to have fun. This is team challenge competition, includes destination with tasks, activities from different tips and going via different points. The activities in the program are with physical purpose.

We believe that physical activities help to recharge the mind, that's why we create this program to help you and your team to slow down the stress and to rebuild your team with fun and a lot of adrenalin.

Skills training: team work, solving problems, trust building, leadership, fun, creativity.

Timing: form 6 to 12 hours (1- 2 days);

Budget: the expense of this team building program starts from **84 lv.** per person / the price depend on the number of participants, material and location/.
