

EVENTTEAM Film Festival

Team building program **Film Festival** present from the **EVENTTEAM** team is the real project, who is performed by your teams. Each of the teams is given the task of creating a movie. In the time they are given a brief on their roles and how to use professional video cameras. The teams will need to allocate themselves to the many tasks outlined in the to make a hit movie. Your team will receive a pre-written script but you still can create your own one that feature the objective of the concept.

In addition to the movie making, the teams need to create the all-important movie poster and energizing introduction to their movies... both contributing to the final score.

Timing: 7 – 9 hours

Setting: indoor/outdoor;

Group Size: each team have to have from 6 to 12 people;

Awards: The overall winning team will receive a mini Oscar trophy!

Budgeting : from 84 to 140 lv. per person

EVENTTEAM Together we can do more!
